

# Construction Procurement for Public Entities in Ohio

A photograph of a construction site at sunset. The sky is filled with vibrant orange and red clouds. In the foreground, there is a large metal structure under construction, possibly a stadium or arena, with a tall crane on the left and stadium lights. The ground is dark, and there are some construction materials and equipment visible.

*Location: Gahanna-Jefferson Public School District;  
Photo credit: Ruscilli Construction Company*

**Thursday, May 9, 2024**  
**7:30 AM - 4:00 PM EST**

**The Conference Center at OCLC**  
Lakeside Room  
6600 Kilgour Place  
Dublin, Ohio 43017

Join us for a full-day seminar, specifically designed for Ohio public owners, covering the project delivery methods available for public construction projects, as well as requirements and best practices for administering procurement processes, competitive bidding, and the design and construction phases.

Attendance is limited. If you have special needs as addressed by the Americans with Disabilities Act, please call us at least two weeks before the event.
